

§ 929.125

§ 929.125 Committee review procedures.

Growers may request, and the Committee may grant, a review of determinations made by the Committee pursuant to section 929.48, in accordance with the following procedures:

(a) If a grower is dissatisfied with a determination made by the Committee which affects such grower, the grower may submit to the Committee within 30 days after receipt of the Committee's determination of sales history, a request for a review by an appeals subcommittee composed of two independent and two cooperative representatives, as well as a public member. Such appeals subcommittee shall be appointed by the Chairman of the Committee. Such grower may forward with the request any pertinent material for consideration of such grower's appeal.

(b) The subcommittee shall review the information submitted by the grower and render a decision within 30 days of receipt of such appeal. The subcommittee shall notify the grower of its decision, accompanied by the reasons for its conclusions and findings.

(c) The grower may further appeal to the Secretary, within 15 days after notification of the subcommittee's findings, if such grower is not satisfied with the appeals subcommittee's decision. The Committee shall forward a file with all pertinent information related to the grower's appeal. The Secretary shall inform the grower and all interested parties of the Secretary's decision. All decisions by the Secretary are final.

§ 929.149 Determination of sales history.

A sales history for each grower shall be computed by the Committee in the following manner.

(a) For each grower with acreage with 7 or more years of sales history, a new sales history shall be computed using an average of the highest 4 of the most recent 7 years of sales. If the grower has acreage with 6 years sales history, a new sales history shall be computed by averaging the highest 4 of the 6 years. If the grower has acreage with 5 years of sales history and such acreage was planted prior to 1995, a new sales history shall be computed by averaging the highest 4 of the 5 years.

(b) For growers whose acreage has 5 years of sales history and was planted in 1995 or later, the sales history shall be computed by averaging the highest 4 of the 5 years and shall be adjusted as provided in paragraph (d). For growers whose acreage has 4 years of sales history, the sales history shall be computed by averaging all 4 years and shall be adjusted as provided in paragraph (d). For growers whose acreage has 1 to 3 years of sales history, the sales history shall be computed by dividing the total years sales by 4 and shall be adjusted as provided in paragraph (d).

(c) For growers with acreage with no sales history or for the first harvest of replanted acres, the sales history will be 75 barrels per acre for acres planted or re-planted in 2000 and first harvested in 2001 and 156 barrels per acre for acres planted or re-planted in 1999 and first harvested in 2001.

(d) In addition to the sales history computed in accordance with paragraphs (a) and (b) of this section, additional sales history shall be assigned to growers with acreage planted in 1995 or later. The additional sales histories depending on the date the acreage is planted are shown in Table 1.
